CIRCULAR LETTER #222

MICHIGAN WORKERS' COMPENSATION PLACEMENT FACILITY (MWCPF) INDEPENDENT CONTRACTOR WORKSHEET

It has been an accepted practice in the residual market to consider a sole proprietor without employees as an independent contractor, if a Certificate of Insurance (COI) for the individual is presented. Effective July, 1, 2009, this practice will cease in the residual market (on new and renewal policies as of that date). In order for a sole proprietor without employees to be considered for independent contractor status, the MWCPF Independent Contractor Worksheet must be completely filled out and supplied to the entity undergoing a workers compensation audit.

Attached is a copy of the worksheet. As indicated on the worksheet, additional information may be requested to determine independent contractor status.

Sincerely,

Any themen

Gary L. Thompson
